Dear Father,

It is some months since I emailed and I hope you are well. I have been running *Catholic Singles* for nearly seventeen years now, an organisation which brings together single Catholics, and in that time nearly six thousand Catholics have joined, making new friendships. More information is on our website (address above) but I can answer any questions about us if you wish to drop me an email.

We have raised over fifty eight thousand pounds for charities & parishes but to continue we rely very much upon the support of parishes such as your own to help publicise our presence. This may take the form of placing a poster on a parish noticeboard (one is attached), putting a link on the parish website or placing the notice below in the parish newsletter.

For all previous help we are extremely grateful and if you were able to include the notice below in your parish newsletter, or help in some other way, it would be much appreciated:

Catholic Singles is an organisation which helps single Catholics of all ages (over 18 years) meet other single Catholics, either one to one or through social events. For further information visit www.catholicsingles.org.uk or tel. 0161 941 3498

Yours sincerely,

J.J.Judge
