

A CHRISTMAS GREETING.

I would like to wish you all a very Happy, Holy, and Peaceful Christmas. My prayer for you is that the Love and Joy of the Christ-Child will fill your hearts and homes at this wonderful time, so that may you radiate to others the true meaning of Christmas - God revealing His Love for us in and through the Birth of His Son. If you are travelling to visit family and friends this Christmas, go well. enjoy and come back safely. May those who are visiting find a warm welcome in our parish, and in due course, return home refreshed and rejoicing, delighted to have spent Christmas with us.

God bless you all.

Father Joe
