

### 'The Way of St James'

On the 7<sup>th</sup> August I will begin to walk the final 123miles of the Camino de Santiago in Spain – a pilgrimage completed by many thousands over the years. The aim is that I arrive in Santiago on 18<sup>th</sup> August! As an offering, I would be happy to take with me any of your intentions that I can pray for as I walk and can then leave at the altar in the Cathedral of Santiago de Compostela, the burial place of James, apostle of Jesus and the first apostle to be martyred. Please note your intention below, place the slip into the envelope, seal it and return to me. The envelope will not be opened, but the intention prayed for as I walk and ultimately placed at the foot of the cross.

Also, for any one that would like to contribute, by completing the pilgrimage I am hoping to raise money for Cancer Research UK. In January this year, through friends supporting me to remain 'alcohol free!' for the month, we raised over £1300 – by walking the 123miles I hope to add to this to reach £2000. If you wish to support me in this way please contribute through my 'just giving' web page by going to:

Alternatively, place your contribution in a separate envelope marked 'donation', pass it to me and I will make the online payment for you.

I am grateful for any support that you can give but do not want you to feel unable to give a 'prayer intention' if you cannot contribute – the two are separate and I am happy to take your intentions regardless. Thank you in advance for all your support and in the final words of St James:

*'Peace be with you'*

*With every blessing*  
*Keith*
